

# Your Trustworthy ASC Partner

Take your planning, design, and construction experience to the next level with the Arthrex Surgery Center Innovation program, ASC X.

Whether you are building a new facility, expanding, or modernizing your existing center, our dedicated ASC specialists are here to guide you every step of the way from inception to completion.

Bring your blueprints to life at Studio X, a one-of-a-kind 24,000-sq-ft media production facility in Naples, Florida, that creates endless possibilities for immersive educational experiences. Visit us to design customized 3D virtual operating rooms and explore the future state of Arthrex minimally invasive technologies.
