

Arthrex is a global medical device company and a leader in new product development and medical education in orthopedics. With a corporate mission of **Helping Surgeons Treat Their Patients Better™**, Arthrex has pioneered the field of arthroscopy and develops more than 1,000 innovative products and procedures each year.

Arthrex continues to experience unprecedented growth and demand for our products throughout the world; however, we remain a privately held company with a family business culture committed to delivering uncompromising quality to the health care professionals who use our products, and ultimately, the millions of patients whose lives we impact.
